

Softline will announce H1' 2021 Financial Results on November 30

Softline Holding PLC (Softline Group, the Group, or the Company), a leading global IT solution and services provider with a focus on digital transformation, cloud, and cybersecurity, will announce key operating highlights for the first half of fiscal year ending 31 March 2022.

The announcement will occur 30 November 2021, with an investor call scheduled for 8:00am UK time.

A livestream of the investor call will be available and can be accessed here: [Issuer Services | London Stock Exchange \(lsegissuerservices.com\)](https://www.lsegissuerservices.com)

About Softline Group

Softline is a leading global solutions and services provider in digital transformation and cybersecurity, with its headquarters in London. The company enables, facilitates and accelerates the digital transformation of its customers' businesses, connecting over 150,000 enterprise organizations across a comprehensive range of industries with over 6,000 best-in-class IT vendors, and delivering its own services and proprietary solutions.

With approximately 6,000 employees globally, Softline operates in more than 50 countries with significant growth potential in multiple markets from Asia, Latin America, Eastern Europe and Africa. The company addresses the entire range of its customers' IT needs and is positioned at the centre of the digital transformation megatrend. Since its inception, Softline has achieved a turnover of US\$ 1.8 billion in the fiscal year of 2020, and it's currently one of the fastest growing companies in the sector. In October 2021, the company conducted a successful initial public offering of its depository receipts on the London and Moscow stock exchanges. For more information, please visit www.softline.com.
